

TEMPORARY FENCING

TEMPORARY SITE FENCING

TEMPORARY FENCING WITH SHADECLOTH

TEMPORARY CROWD CONTROL BARRIER

- ✓ Many councils require construction fencing under local laws.
 - ✓ Acts as a barrier for your construction site against vandals and theft of materials.
 - ✓ 2.4m wide x 1.8m high panels
 - ✓ Welded steel mesh with galvanized poles
 - ✓ Installed with concrete blocks or with star pickets
 - ✓ Gates are available to suit requirements
 - ✓ Placement is discussed at the time of order and we endeavour to install the fence in the preferred location
 - ✓ Shade cloth or site signage can be attached if required (prior advice needed)
-
- ✓ Many authorities require temporary crowd control fencing under local laws for large public events.
 - ✓ 2.4m wide x 1.2m high panels
 - ✓ Welded galvanized poles, rails and posts
 - ✓ Installed with galvanized stays
